This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the Office of Regulatory Staff (ORS) to withdraw its Petition for Rule to Show Cause. We grant permission to withdraw.

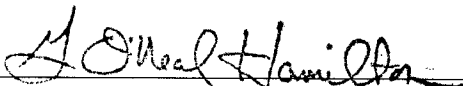

On June 27, 2007, ORS filed a Petition for Rule to Show Cause seeking to cancel the certificates of companies that had failed to comply with ORS' data requests regarding Universal Service Fund contributions. Only two companies were identified in the Petition for Rule to Show Cause, dPi Teleconnect, LLC (dPi) and IDT American Corporation (IDT). On August 30, 2007, ORS notified the Commission that dPi was in compliance. On September 18, 2007, a hearing was held with regard to IDT. At that hearing, Mr. Carl Bilek, on behalf of IDT, committed to this Commission under oath that IDT would provide the items requested as outlined in ORS witness Washington's testimony at pages 2-3 to the extent that this information is available. Further, counsel for IDT recommended that ORS utilize S.C. Code Ann. Section 58-4-55 (A) (Supp. 2006),

and ORS accepted that recommendation. ORS then requested that IDT produce the information sought under that Code section.

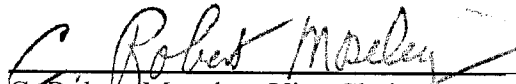

In light of the information provided at the September 18, 2007 hearing, ORS requests permission to withdraw its Petition for Rule to Show Cause in this Docket. Considering the circumstances as described above, and the interaction between ORS and IDT, we grant permission to ORS to withdraw its Petition.

This Order shall remain in full force and effect until further Order of the Commission.
